

CELESTION

Celestion uses the AES standard because it is scientific and reliable. While there is no consistent correlation between AES, EIA and Continuous Power, this scale provides a rough guide to compare how an individual speaker might rate using each measurement.

EIA Standard Power	AES Standard Power	Music Program Power
1500W	1000W	2000W
1400W		1900W
1300W	900W	1800W
1200W		1700W
1100W	800W	1600W
1000W		1500W
900W	700W	1400W
800W		1300W
700W	600W	1200W
600W		1100W
500W	500W	1000W
400W		900W
300W	400W	800W
200W		700W
100W	300W	600W
		500W
	200W	400W
		300W
	100W	200W
