

# **CTS Potentiometer** **split/knurled plastic shaft, brass bushing** **linear (lin): B100K for use in** **70's F-Style amplifiers**

refers to part number: Z-PC100KB

## **Specifications:**

tolerance:	+/-10%
angle of rotation:	300° +/- 5°
rating:	1/4W@55°C
taper:	linear
insulation:	500V DC
rotational life test:	10,000 cycles
resistance element:	carbon
bushing:	brass
shaft:	plastic shaft with flame UL94V-2
terminal board:	bakelite with flame UL 94HB
